

oxygen deprivation
hypoxia lack of oxygen
asphyxia
perinatal asphyxia

Have you #HeardofHIE?

HIE - Hypoxic-Ischaemic Encephalopathy
(a lack of oxygen/blood flow to the brain of an infant)

Peeps is the UK charity dedicated to supporting those affected by HIE.
You're not on your own and we are here if or when you need us.

Ask a member of staff about our free parent packs, or contact us directly:

Phone:
0800 987 5422

Text or WhatsApp:
07838 197 945

Email:
info@peeps-hie.org

We have a website and an app too so that you can easily find information at any time, day or night - sleep is sometimes a rare thing on NICU isn't it?

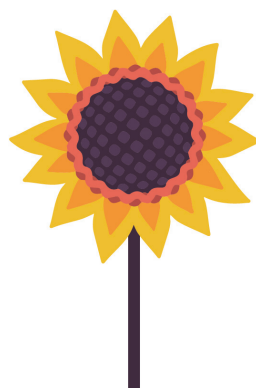

The address is www.peeps-hie.org (just scan the QR code below), or search for **PEEPS HIE** in the Apple App or Google Play Store.

We're also on social media @PeepsHIE
